GLOBAL VILLAGE

- The Global Village is a welcoming space at the heart of the venue for forum participants to share innovative projects and research initiatives that are addressing development challenges.
- The Global Village is composed of more than a hundred stands that feature projects or reports related to EDD’s main themes and thread.
- The Digital Pitches are available this year for all stand holders. They are short presentations, which consist of a short 30-sec video spotlighting the key components of each stand’s project/reports.
